### Plugging in at Valley Life Community Church

Our walk with God is a lifelong journey and we don't get there overnight. Our mission at VLCC is to make this journey together. Though each person's steps are going to be different, the basics remain the same:

- ▶ **CONNECTING with God.** It all starts with a relationship with God. We strive to keep connecting with God and other believers through our weekly worship celebration and other opportunities for godly fellowship.
- ▶ **GROWING in Christ.** Once we connect with Him, we will want to grow to be like Him. Community Groups are the best way to grow at VLCC. We also offer classes on Sunday mornings and Wednesday nights.
- ▶ **SERVING Others.** With Christ as our role model, serving flows as the next natural step. Serving displays our gratitude for what God has done for us. Joining a ministry team is a great way to serve here at VLCC.

If you have questions about this, please contact a pastor or elder. We would love to discuss this with you further. Let us know if we can help you in any way.
